From your BTW Headquarters

Hi Folks

Well our first full year of events has come and gone and we still have not met as many of the members as we wanted to, but we have gotten a lot done at the office. We have created an inventory & shipping room and all the products are now in sealed containers with a accurate current running count. The magazine is starting to fall into a routine and all I need to do is still learn the program to create it and it will be fun. I would like to take this oportunity to thank one of our members "Howard (Crash) Telthorst" who has given his time and expertise to help produce our magazine for a long time, without ever asking for any type of remuneration or thanks. He has made himself available to format the magazine and without his help I would have never been able to ever get an issue completed.

It became very difficult to continue with this system when the office moved to Arizona, but he went out of his way to make sure it got done. We have now set up a computer program in the office which allows us to do this job while designing each issue and I thought I would have the assistance of a design student to learn this program but after very basic training she found that she could not continue alloting the time to do this and continue her studys, so I am on my own with help from Jack Mertes who taught this at Pima college. This is the first issue that I have put together myself. Please bear with me and sorry for any mistakes or omissions. It will get better. The CALENDAR has been selling like crazy, it seems to be a perfect Christmas gift as well as something we can all relate to, instead of having some company's calendar that we have no idea about.

We are busy working on a new group of store items and will have them ready the first of the year. The computer company has just about completed our new website and we hope to start testing it before Christmas and maybe releasing it the first of the year.

Lynne has finally got her mother settled into a care home and our life seems to be starting to get back to normal. God willing we hope to get around more next year and see some of you. We got to go to a couple of events at the end of the season and getting back on the trike and riding was like being released from prison. I would like to thank all for your hospitality at those events.We hope everybody has a wonderfull Christmas and a very Happy New Year from Lynne and I.

News We joined up with the other Southern Arizona chapters for a ride to Patagonia and a picnic. We found a secluded place in the midst of a huge craft event held that day and had a great time cooking hot dogs and sharing trike talk. The CRS Turkeyfest in Tombstone was a success with 103 attendees. 10 deep fried turkeys were consumed, a large array of food was shared and a good time was had by all. Peggy won the 50/50 and gave back $50, Brenda won the poker run and gave back $85 both were added to the donation of $1400 to the Make a Wish Foundation.

Director: Bill (Rackem) Magby, Prescott, 928-442-6310, cvbrm@yahoo.com.
Meetings: Meetings second Sunday of each month, location varies, contact director for info.
News: Our group just returned from Turkey Fest in Tombstone. We had ten people with nine trikes riding down from the high country. A cold start but a good run. Many thanks to the two chapters for holding the event. Our HCA Blowout was a success. We changed locations this year and the new location in Payson was perfect. From all of us at HCA, we want to thank everyone that attended our run. If I were to try and point out and thank individually all the groups that attended, it would take up this magazine. However, I would be remiss if I didn't mention the Pahrump Valley Riders. They brought twelve members with six trikes from Pahrump, Nevada. From Asst Director Larry and myself, a big hoo-rah to our group for making the HCA Blowout the success it was. Everyone pitched in and made it run smoothly. We had a short riding season this year with all the rain in the high country, but we have one last scheduled

ride. We will be riding in the Veterans Day Parade in downtown Prescott. We have done this for many years and it is always a good way to honor our Veterans. After the parade, we ride over to Child Haven to present them with a check from the money we raised at our Blowout. Again thanks to all who attended that allows us to support this fine charity. Our annual Christmas party will be the last meeting of this year. Then it is time to put our trikes to bed for the winter and maybe do some maintenance for next year. To everyone in the Triker Family, from all of us at HCA, Merry Christmas and Happy New Year. Ride often and ride safe. Rackem

Meetings: to be announced

News: To all in triker land, We held our annual TURKEYFEST now to be also known as The Southern AZ State Trike-In.This event was put on by the Southern AZ chapters of our GREAT organization, the Smokin Eagles and the Desert Renegades. This was our first year doing the TURKEYFEST in Tombstone as the state trike in run. The turn out was great, better than expected with a final body count of 107! A GREAT BIG THANX TO ALL WHO ATTENDED !!!!! This event was held to benefit the MAKE A WISH foundation. We gave them a very generous donation from BTW and hope to do so again next year. Friday a bunch decided to go for a ride around Bisbee and back through Sierra Vista. Later we just hung out and renewed old friendships and made some new ones. Sat morning we hung out, had coffee and got ready to do the poker run. At 10 am we sent out the poker run, and found out later that the first stop was wrong. Our apologies for that! Everyone found their way back and hands were given to all who participated. After that we did the trike show and found out that our voting ballets didn't match the classes, another glitch we had to work through. Later we had some people games that went well, everyone seemed to have fun. About 4 pm, John Letourneau (Renegades Director) started deep frying turkeys, 10 in all! The smell was awesome to say the least!! While that was going on we had the trike games and almost had too much fun. An old prospector with a mule wanted to do the bucket drag so we let him. I think he took second place LOL. About 6 pm we started serving dinner, the selection of potluck goodies was endless and delicious. The turkey was awesome. No one went away unsatisfied, even seconds were available! After dinner we had our benefit auction and the results of the trike show and later we all hung out and socialized till bed time. All in all we had a few glitches that we worked through (won't happen next year). We all had a GREAT time hanging out in Tombstone. We can't wait to see all of you again next year. Till then RIDE WHEN YOU CAN! And may God be your co pilot. To see pics go to our facebook groups page, southern az btw smokin eagles trikers Rick Hackney (Director Smokin Eagles)

Meetings: 3rd Sunday of month. Locations change monthly. Call for info or check web site.

News: Just got back from TURKEYFEST had a great time. Nov. is a busy time for the chapter with something going on every weekend. Only one thing in December, the Christmas party with the WEST END chapter which is a lot of fun. Hope everyone has a Merry Christmas and a HAPPY NEW YEARS. BE SAFE AND RIDE FREE

ARKANSAS - Freedom Riders

Director: Bobby (Thunder) Espy, Harrison, 870-656-4688, e-mail: thundertrike65@yahoo.com

Meetings: First Monday of month, Shady Oaks Campground, Potluck dinner at 6:00 pm, meeting at 7:00 pm.

News: October had us welcoming four new members; John and Evelyn Gillihan along with Sam and Linda Lane plus several guests, who we hope will join soon as new members. Harvest Homecoming in Harrison on Friday, October 4th thru Sunday the 6th was a success even though Mother Nature wasn't on our side Saturday (rain almost all day). Kids and adults alike took part in the games, that included the sling shot, horseshoe pole ring toss, and pumpkin bean

bag toss. We had two gift baskets. The lady who won the women's basket was stunned and happy since it also happened to be her birthday. The gentleman who won the men's was surprised and happy. He bought one ticket and said he's never won anything before. A BIG THANK YOU to all members who were able to participate in putting the games together, the baskets, the set-up of our space and those who couldn't be there, but there in spirit. Our chosen fundraiser was for the Children's Charity Ministry. We had some members who were able to attend the $438.00 check presentation on Tuesday, October 30th. CCM Director, Cindy Martin let us know that money is greatly appreciated and will help them buy items needed to supply the schools for children in need. It helps ensure these children will not go hungry and will not go without other needed items. We had a good dinner/supper meeting ride to Green Forest on Thursday, October 10th to Las Cazuelas. Members that usually have to work weekends said they enjoyed being able to go along for a ride. We had some members make the state meeting that was moved to 10/26 in Clinton with several hearty riders and the rest in cages. Anyone wanting to ride and there isn't one scheduled call around and let's set one up. November is nomination of officers and December is election of officers. Remember you must be present to nominate and vote. The December meeting will be our Christmas party, that will include a White Elephant gift exchange, to be catered for members, family, friends and children. It's that time of year for toy runs. Here's what we know for sure: Harrison Sunday, November 24th and Newton County Sunday, December 1st. Members who've had health issues we continue to keep you in our thoughts and prayers. We also need to remember we're going into Thanksgiving, the time to "Give Thanks" and Christmas, as many say, "The Reason for the Season". Have fun, ride safe and be thinking about your New Year's resolutions.

CALIFORNIA - State
Director: Loner Abbott, Porterville, 559.781.8129, Lonerbtw@clearwire.net
Assistant Director: Gary Winebrenner, Fresno, 559.355.4267, garywinebrenner@sbbcglobal.net
CA Web Site: btw-california.org
Meetings: Every May and October at the State Trike-In or any special called meeting, as required, following BTW Bylaws.
News: Loner reports: What a great time me and mine had at the California State Trike-In. The weather was great and everything went smooth. The Friday day ride went well. It was absolutely fantastic to see the smiles on the faces of the group who we went over to visit. They wanted to touch, get on, have pictures taken on the trikes that they were allowed to and to just look at the ones they could not touch. We stayed for about an hour and a half talking and answering their questions. We all heard them saying "I like that one best" or asking if pictures could be taken of them with their favorite trike. One of the best parts of the day was when we were leaving, knowing that we brought our trikes and ourselves into their lives for a short period of time, the smiles, the waves and the blowing of horns as we said goodbye. We went back to the camp grounds and talked about what we had just experienced and the memories that we will carry with us for a very long time. Saturday, we started the day off with the trike blessing and then out on the poker run. After the poker run, we had a lunch break, then began the games. Everyone seemed to be having a lot of fun and at the end there were a lot of wet people. Then we had the Trike Show. We had a great merchandise giveaway, thanks to all who donated stuff for this event. The trophy presentation and the band "Rythum" played for the rest of the evening. Sunday as usual was pack up, say goodbyes and see you at the Western National Trike-In in the spring. The numbers for this Trike-in were down a little this year, but I always say, the ones who were here were supposed to be here and the ones who did not show up, well maybe next time. We all had a great time. Our California State By-Laws say that we are to hold elections for State offices at the spring trike-in on the even years. We voted on changing this to the fall trike-in because of the National being held in the spring.Well, that's about all for now. So, be careful out there. Ride Safe, Ride Free, and God Bless

plate to remember the day. We left there just in time as the sky opened up and the winds were knocking us around on ride home. They joined our chapter for Friday night BBQ at the CA Trike-In in Madera. All of us are looking forward to co-chapter rides in the future. We really loved the wonderful BBQ meat prepared by Ken!The California Trike-In was a highlight for our October ride. Thanks to Ken, one of our Great Road Captains for doing a terrific job on the Poker Run. Thanks also to Jim for manning the Poker run table so everyone could sign up and get cards. It is always a fun ride and always new routes to pretty scenery. Ken got his trike back on the road just in time. Gary and Kim rolled out their amazing "GRIM REAPER" trike for the first time at Trike-In. Everyone could see the great ideas Gary put into the design and building of "GRIM." Both Gary and Kim were thrilled to finally have their trike going down the road. They won Best Street Lights Award at Trike-In. Paul took home the Rat Trike Award and Billie won the People Wash Award. A Special Vendor Award was given to Jacob for his Lemonade Stand. Way to go Jacob! Did I mention he is only 8 years old. Special thanks to all our members for turning out. We took home Best Attendance Trophy for the Trike-In! We were so happy to see Carmen and Bill get an award for their years of "Outstanding Support of BTW!" The Junior Games have been started again due to many requests and the youngest members are thrilled!! Once again Loner put together a great time for everyone and we thank him for his all his work. He is already in the planning stage for the 2014 Western Nationals at Madera in May. Our Road Captains, Bill, Ken, Red and Mike are putting together great rides for every day for that Trike-In. Of course, the amazing ride thru Yosemite National Park will be on the agenda! We have had a lot of requests to do it again and we will be making it even better. Our chapter will be riding in the Fresno Veterans Parade again this year. It is the largest veterans parade on the west coast and will be telecast on Armed Forces stations. It's an honor to be a part of this amazing parade honoring all of our veterans. Of course in Dec. we will be riding in the Annual Clovis Christmas Light Parade, cruising down Candy Cane Lane to see all the lights and then enjoying our Chapter Christmas Party.

Recently while in Tennessee, I had the pleasure of meeting with the Middle Tennessee Wind Riders members, Director Mark Rowlson and quite a few cycle riders for the Erin, TN Toy Run . It was amazing to see the Sheriff leading the run, lights flashing in front of us, so many riders for such a good cause! I enjoyed being a part of such a worthy project! Thanks Mark, for all the introductions and including me for a great day. If anyone would like to join us for a ride or plan to come to our monthly meeting, we go on a ride the 2nd Saturday of month, after a one hour breakfast meeting. And, we do have a few empty seats on trikes for guests to join us as passengers. Riding in the autumn weather is amazing, refreshing and always fun.As always, ride safe, enjoy the wind on your face and have fun!

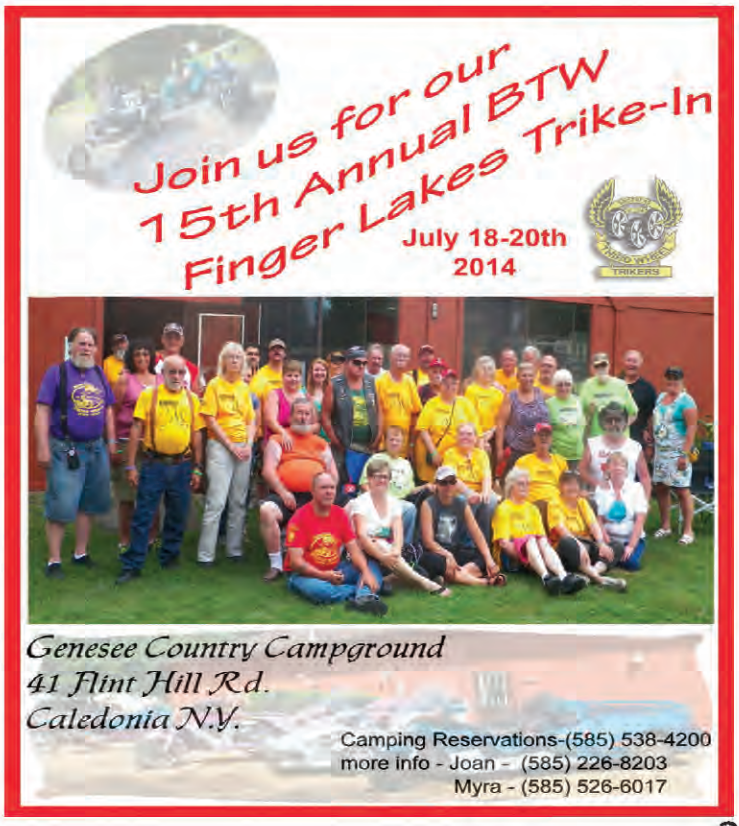
CALIFORNIA RivercityTrikers Sacramento Area
Director: Becky Landin, Rancho Cordova 916.747.2048 rebeccalandin@att.net
Assistant Director: Reggie Joaquin, Roseville, Reginald.joaquin@yahoo.com.
Meetings: The 3rd Saturday of the month at various locations. Call Director for information.
News: Becky reports: I am including this information from Donna Bennett, our out-going Director, as her final report to Triker. "I would like to thank everyone for the support that our local chapter and all the rest of the Brothers and Sisters of Brothers of the Third Wheel for your support and prayers for Bob and I while we are on this not so happy journey. We don't know what we would have done without all of you. I have enjoyed being the Director of River City Trikers for the last 7 years. I have enjoyed working and getting to know some of you better and I will always hold all the memories of all the fun that we all shared close to my heart. I just felt like I needed to step away as Director of River City Trikers even though it was hard to do but it was one more thing on my plate that was getting harder and harder to do. I am very happy that Becky Landin and Reggie Joaquin have stepped up to the plate to be Co-Directors. I know that they will do a very good job." **Chapter Activities**: The River City Trikers have had our "knees in the breeze" this Summer and have plans to continue into the Fall and Winter. **Activities for July, 2013**: For the "4th of July", we had planned to ride to Stumpy Meadows in the Sierra Foothills for a picnic outing. However, due to the forecast of 108 degree weather, we cancelled those plans and subsequently planned a "dinner ride" for Sunday Evening, July 7th. In between those planned outings, some of our members (two groups) managed to go on "impromptu" rides on July 6, 2013. One group rode over to Clear Lake, down close to the water. While in the area, they enjoyed a picnic there at "old" Clear Lake. After the picnic, they rode to Camp Far West, up to Marysville and returned home. The other group rode to Jackson and toured "Mark Twain Country". On their ride, they visited Angels Camp, Calaveras County (home of the jumping frogs) and the little town of Murphy's, where the streets are painted "green" on St. Patrick's Day. It was a very enjoyable day for both groups. On Sunday, July 7th, Donna & Bob, Ms. Pete & Dave, Jim & Debbie, Bob & Arlea, Becky and Pat & Jim rode to Jackson for dinner at Mel's. We were joined by our latest member, Steven Levitt. The weather was much kinder to us. On Friday, July 12, six of "The RCT"s" took advantage of



cooler weather; taking a "spur of the moment" ride through the high country of the Sierra Nevada's. It was a near perfect day for a spectacular ride to Donner Lake, Truckee, around Lake Tahoe; across the high meadows to Kirkwood, and back down The Mormon Emigrant Trail. WOW--What a day!! Debbie & Jim Davis planned a "Going Away Party" for Jim & Pat Dennis for July 20th. Jim & Pat, members of RCT that live in Spring, Texas, were planning to leave for home on the 22nd having spent May, June and most of July, riding with members of The RCT Group on "rides" throughout our beautiful area . However, due to a family emergency, they had to leave on the 19th, thus missing their own going away party. The event became a "Gone Away Party"….The RCT group all wished Jim & Pat a "Safe Trip with Hugs" and had a great time, enjoying Debbie's Mexican Food. **Activities for August, 2013:** On August 24, Becky Landin, Jim and Debbie Davis, Dave and Ms. Pete Lindgren joined the Northeast Wind Riders at Live Oak Park near Yuba City, California, for their third annual over-nighter / potluck. Clare Rabbiosi and his chapter made us feel welcome. Great Food! The Chili and corn bread was the best.. Hope this tradition stays alive. On August 30th, Bob and Donna Bennett rode to Waterloo, Oregon, to attend The Oregon State Trike-In. Steven Levitt attended the event as well. They had lots of fun and were pleased to meet new "Brothers (and Sisters)". It was a great event. **Activities for September, 2013:** On September 21, 2013, the River City Trikers (RCT) had a "pot-luck" dinner at the home of Bob and Donna Bennett. The dinner served as the focal point for our regular BTW/RCT Chapter Meeting. Donna chose this meeting to announce her resignation as Director. The group nominated Becky Landin and Reggie Joaquin as "Co-Directors" for the chapter. Donna's leadership will be missed. In addition, we celebrated Nancy Alvord's birthday. She (like the rest of us) turned 27 again! On the weekend of Sept. 28th & 29th, several of our members, Dave & Ms. Pete Lindgren, Jim & Debbie Davis, with Becky Landin, took a road trip to attend "Street Vibrations" in Reno, Nevada. It was their 18th Annual Bike Rally. There were lots of vendors, food and FUN! All arrived at home safely, breathing a lot easier in the flat lands after having to deal with 40 mph head/cross winds @ 7000 feet elevation with 1000 foot cliffs and drop offs. **Activities for October, 2013:** Over October 18th-20th weekend, RCT's Pete & Jim Lindgren, Debbie & Jim Davis, Becky Landin, Lyle Stanley, Reggie Joaquin and Anita Rodgers, attended the Madera, California Trike-In. Reggie, Anita and her granddaughter, Chiara, "camped out" in their tent. The rest of us "sissies" stayed at the Super-8, across the street from the fairgrounds. It was a nice relaxing time. As always, Loner Abbott and his crew put on quite a production.In early October, a few members went on "very special" trips of their own. Donna Bennett traveled to Georgia to visit her daughter and grandchildren; while Reggie Joaquin and Anita Rodgers went to New Hampshire for the 50th Class Reunion for his high school. On October 27th, we held our monthly meeting/pot-luck dinner party in the home of Marie Charlton. The purpose of this meeting was to discuss the upcoming meetings and rides/activities for November & December us. After the meeting, we "stuffed" ourselves on 7 layer dip & chips, fried chicken, macaroni salad, coleslaw, green beans, a veggie tray and a cold cut tray. Of course, we followed up with candy corn & other assorted "Halloween" candy.The event was sched-

uled as a "Halloween Party" with a "Pajama Party" as the costume theme. There were only 4 people that wore their "pajamas"! The rest were a mixture of regular "Halloween-style" costumes or "no costumes" (??)—Oh, well, we still "love" them anyway. The following folks, in costume, enjoyed the activities: Donna & Bob Bennett (Nurse & Patient), Debbie & Jim Davis (Pajamas), Reggie Joaquin (Werewolf) & Anita Rogers, with Chiara (Witches), Ron Vansant, Nancy Alvord (Pajamas), Jill Chagnon (Pajamas), Becky Landin (Witch Doctor), Tom Hale and Dave Lindgren (Jack-O-Lantern (Note: Miss Pete was unable to attend due to illness). Of course, our Hostess, Marie Charlton (She-Devil), and her friend, George Davis, were in attendance. We also enjoyed the company of Marie's kids and a few other guests. Lots of fun! **Planned Activities for Nov – Dec:** On November 16th, we are planning a "Anything But Turkey" potluck dinner/meeting at the home of Jim and Debbie Davis. On December 14th, we will head out on the Nevada City/Grass Valley Toy run. It is a nonstop escorted procession; celebrated by both towns. It is a great ride and we always feel very special when we participate. Pictures will be sent later. On December 21st, we are having a Christmas Party / Meeting at the home of Ms. Pete and Dave Lindgren.We want to wish all our fellow BTW brothers and sisters an enjoyable and blessed holiday season. Please remember, you are always welcome to come join us at these events. RIDE FREE ON THREE!

CALIFORNIA – San Diego Area
Directors: Scottie Sisemore, Chula Vista, 619.426.1884, btwscottie@cox.net
Meetings: 2nd Sunday of month, 11:30 am, various locations, see web site for monthly information.
News: Scottie reports: Our members have been flung far and wide for the last few months. We had people attend the Colorado Trike In, some made the trek to Missouri for Ma's shindig and a few managed to head up to Madera for the California Trike In. Some of us had to live vicariously due to all the unpleasant parts of life…from money shortages and job sequestration to the gov't shutdown. We managed to keep our spirits up in spite of it all! As I write this, a group from San Diego has managed to tackle the Tombstone, AZ Turkeyfest. I'm sure they are having a great time the lucky devils! Wish I was there! Looking forward to all the tall tales.

Meetings: 1st Monday, 7:00 P.M. at Carmen and Bill's, 4849 Rue Calais, San Jose, 95136, near Snell and Branham
News: Carmen reports: We had so much fun at the Ca. Trike In last month. Our chapter even added more members...whoo-hooo! I want to thank those members of SCVBTW who came down and hopefully had a lot of fun, also. It was our first time of not vending, as Axeman's Wonders, so we were able to visit more people, participate in the trike games and just relax. Bill and I were quite shocked when we were presented with a beautiful plaque, made by our State Director Loner Abbott, for our vending at the Trike-In's for many years. We thank BTW for all of your support throughout the years. Our Western National Trike In is April 30-May 4, 2014 and we are looking for vendors. If you are a vendor or know of a vendor who might be interested in coming out to the Madera Fairgrounds, PLEASE contact me at SCVBTW@sbcglobal.net. We are trying not to have duplicate vendors. I will provide all the information for you.

FLORIDA - State
Director: J.B. Baldwin, Ocala, 352-216-9704, x13orng@netscape.net
News: Had a really good Trike-In again this year. Thanks to all who attended. The State Secretary Carol Ann spent alot of time in the kitchen, delivering some great food, breakfast, lunch & dinner. Elections were this year and the incumbent officers were retained for another 2 year term. (J.B as Director, Mike Prior Treasurer, Debbie Bishop Sgt at Arms & Carol Ann Secretary) Wow thanks & welcome Rex Alexander who brought his trike all the way from Oklahoma to the Trike-In. Also thanks go out to the chapters from Jacksonville, Nature Coast, Brothers Ocala & Lake County, we sure appreciate your help.. There are some real die-hards as we had a bit of wet weather Saturday, kept machines home but those who came out enjoyed a fun run, silent auction (had some really great items), bon-fire after dark & some great acoustic music. We have gone ahead and set the date for next years Trike-In so mark your calendars for the first full weekend of Nov. 2014 (11/7-11/9). Also in the works for 2014 are 3 additional "Gatherings" around the state. Dates and times to be announced, the first one looks like February in the southern part of the state. We have plenty going on for the Triking community in the upcoming year, (March) Daytona Bike Week, (April) Leesburg Bikefest, (Oct.) Daytona Biketoberfest, & Webster Westside swapmeet on a monthly basis.
Ride On! J.B

FLORIDA - Brothers Ocala
Director: JB & Carol Ann Baldwin, Ocala, 352-286-4276, x13orng@netscape.net
Meetings: 1st Saturday ea. month at Ghost Riders Saloon 9am coffee / 10am meeting
News: Wow! The Brothers & Sisters really put on some great games for the Fl. Trike-In. They started off with "grab-it", then on to "can-u-catch-it", an extremely frustrating game. Next was "blue Monday", around the bend was "D.W.I" & "gone fishin'". You could see the relief on their faces as they thought it was all over...however they were then directed down the pathway to a field for a little "road kill round-up". After all was done, Gene & Carol won first place & received a nice trophy for their skills. We're looking forward to the end of the year/Christmas party/cook-out. And plans for more good stuff in the coming year.
Let's Ride, J.B

Director: George Torrence, Weston, 954-385-2837, gtorr@bellsouth.net
News: Two more months have passed since the last report. We are getting ready for a ride to the Florida Keys after the next meeting. Our newest member, Papa Ed Duda came to our last meeting. In addition we also had some guests, Wrench and his wife from States and Chuckie Mungai. They all attended the meeting on trikes. It was nice to have fresh faces at the meeting. George and Kate were up north having fun. We will be discussing our plans for the Toy Run in December at the next meeting. Last year was well attended. Royce and Kathleen are breaking in his new Tri Glide Trike, going out Friday evenings with other riders. Since the weather has cooled down a bit, Papa Harley has been getting around on his trike. Cigar Charlie hasn't been riding much, but will be at the Toy Run. Don and Nancy are still breaking in their Goldwing trike, and Alan repaired the rear end in his so he is back on the road. Kevin's new trike is ready, and I heard that he is selling his other trike. Dave and Donna have slowed down a bit because of some health issues that Dave is having. We might see them again at the Toy Run. That's all the news for now, so ride safe on three. George Torrence

News: Hope all are well and enjoying the cooler weather. I would like to apologize that there was not any news in the last issue, I do not know what happened as the news was sent in. Nine from our group met at my house and took a ride on September 14th to Roy's Restaurant in Steinhatchee for some great seafood. It was an enjoyable ride. By the time you get this issue the State Trike-In will have happened and also elections for our chapter. I would like to say that I have enjoyed these two years as Chapter Director and hope that I have served all well. I will still be involved with the chapter and willing to help where I can. I would also like to thank those that served with me for a job well done. Be safe. J.T.

News: HiYa'll,
The weather has gotten cooler and the leaves are changing so I guess winter is coming our way also. Everyone please be more aware of your surrounding while your riding. It seems like when it cools off folks are less aware that there are still people out riding motorcycles, like we put them up just because it's cold. Well we had our Organizational and Informational Meeting. All seemed to have went well with it. Everyone's input was favorable and folks were interested. We signed up four more members at the Oct. 27th meeting to make eleven members we have to start the Chapter. A Thank You to all of you!! We voted to keep the name of the Chapter "The Northeast Georgia Chapter". We will of already have had another meeting with a lunch and election for us to place officers as to gain our Chapter Charter. This will take place

on Sunday Nov. 17 at the home of Larry Monk at 1 PM. We will get the results posted in the next issue of Triker Mag. which is the Feb./Mar.issue I believe and we should also have a ride or two set up also. You are all welcome to come and put your suggestions on the table. We need to know what you would like to see, do, and go as a Chapter in the future. Remember the Chapter is open to any and all folks in Trikes/Triking and share this interest, even if you don't own one yet. There are folks that are willing to talk to you and help you with putting one together. Anyone who would like to be part of this new Chapter or checking out the meetings, please get in touch with Cam McCallister at 706-206-2903 or e-mail him at aircooled08@yahoo.com Just so everyone knows we welcome everyone to ride along with us on our rides and event ...3 wheels or 2 .....Till next time ...a safe journey to you!!

IOWA - NW Lakes Tripods

Director: Robert Kepler, Ruthven, 612-209-2330, willys39sd@hotmail.com **Assistant Director:**Ron Runkle, Spencer, IA 712-260-0622

Meetings: Last Sun. of the month
Various places. Call for info

News: It's about that time of year around here to put the trikes away for the season, and get to some needed maintenance and updating. One member should have his new trike ready to roll soon, only to stare at it for several months before he will be able to test drive it. Snow and ice and trikes don't mix well. Another member should have his new trike done by the spring thaw also. The June 20-22 Trike-In at Blackhawk Lake has been discussed, with ideas to improve the event, like getting the word out about what is planned to all who attend and to remind everyone to ride as a group when doing a planned event. Gary (Thumper) Gritten volunteered for the position of Road Captain. We're already making plans for the April Bike & Trike Show in Spencer. We should have a good showing of trikes this year. Some also talked about helping the Heartland Trikers out at their bike show/swap meet in Des Moines this winter.

News: Wayne Eck, KS State Director submits that cold weather has happened in Kansas! Fall has been pleasant with moderate temps and many riding opportunities but winter is fast approaching. As we do less riding it is time to be thinking about our upcoming election of state officers. If anyone would like to be put on the ballet in March please contact any of our officers. I would like to encourage all of our members to thing strongly about getting involved. It is a rewarding experience to invest in our organization and also a lot of fun. Thank you to all our members that came out and sup-

ported our State Trike-In last September. Also a big thanks to our brothers and sisters from OK, Neb. and Mo. that also joined us. We are already making plans for the next one! We are sorry to report the passing of one of our members, Billy Hartung, Hutchinson, KS. Billy was a long time member of BTW, never owning his own trike but attending many of our events with his Daughter and Son in Law, Debra and Junior Hester. He usually had a smile and a joke for all he met and will be missed and remembered by all who knew him. Holiday time is nearing and would like us all to remember those less fortunate. Our members across the state often participate in the local toy runs and other charitable activities. Please include our armed forces in your remembrances as many will be away from their families during this special time of the year. Have a safe and wonderful Thanksgiving and Christmas and to all a Happy New Year!!

In the trike show, Kenny won the trophy for Special Interest and I won the trophy for Trike & Trailer. We all had a good time even though it was still pretty warm that weekend. As most of our members are also American Legion Riders/Patriot Guard we have been busy on fund raising rides and escorts. Riding the rest of the year will depend upon the weather but come spring we will be back out there riding. Tom

News: *Jerry Dunn, Chapter Director submits,* fall has arrived and winter is right around the corner. Looking back, it's been a good year for riding, with most members being able to participate in the various chapter trike-ins around the state, our own trike-about in August, and the state trike-in in September. Some of our members were able to attend the Central States Rally, at Branson, in June, and the Nebraska State Trike-In in August. This season we've seen several trikes break down. My trike is back on the road thanks to Dan Seely's efforts. Dan's trike has been repaired and is now for sale and he'll build a new one before next season. Wayne Eck should be getting his new trike on the road any day now, and Dale (Pete) Walter has another new trike in his garage. I envision a great year upcoming, as we are seeing more interest returning in our triking community with the possibility of new members. We are also seeing a few of our former members returning to our chapter. We are beginning to plan our Chapter Christmas Party for December 7th, at St. John's Episcopal Church, in Wichita, and have invited the other chapters and independent members to join us. We will have a short meeting at this time. Weather permitting, some of our people will be going to the other chapters' parties as well. People are already talking about Central States Rally, next summer, in Eureka Springs, Arkansas. As always, if you are in our area, you are invited to join us in any of our activities or meetings. Stay enthused, have fun, and keep 3 between the ditches.

Thanks to those who make it all happen. Several of us are ready for that end of the year Christmas Party. We have had a great year. Our group has made it to several events and had a great time. The Food Bank's that we delivered to this year were very grateful for the support and monetary donations. We will be continuing this food drive this next year. We still have several more places that we would like to donate to. Our plans are almost complete for the 12th Annual 4-Corners Trike-In, Coffeyville, KS for 2014. Our Flyers should be out soon and on the web. Hope you all have a great Holiday Season with all your family and friends... Ride Safe and See Ya soon. Ray

News: Chapter Director John submits not much news from our area. Trike is in the shop getting an overhaul of its' front end, though it is getting pretty cold to ride. We have been busy cleaning up and

repairing after our grapefruit size hail storm. It has been hard to get contractors as the damage was so wide spread. We were sorry we had to say goodbye to BTW member Billy Hartung from Hutchinson, he was the father of Debra Hester and also a familiar figure at many of the triking events, riding with Debra and Junior. Have a safe and wonderful holiday season.The roar of the engine, the white line a blur, The highway has beckoned and you have answered her. The joy that you feel, you know you can't give It has to be experienced, that's how you live. Oh, the wonder of the machines that we ride, Our knees in the breeze, our heart bursting with pride,
No Joy can compare To our head in the air
To the horizon we go Looking for that rainbow.

KENTUCKY - State
Director Interim: Gene Renfro, **Calvert City,** (270)703-7476, Renwal1@yahoo.com
Meetings: To be announced
News: Our Kentucky Fall Camp Out, at Axtel Campground, on Rough River Lake, was a fun time this last September. Well, except for our spun out hub, which kept us camp bound for two days, and a few other glitches! All in all, though, a good time! 15 attendees, including two from Tennessee and one from the Chicago area. Thanks to everyone who showed up and helped! Looking forward to our next get together. No plans yet, as Bonnie and I have been wrapped up in building a new apartment, which was supposed to be done by October 21st, when I went in for a knee replacement. It wasn't (and still isn't) but things happen that way. Surgery went as planned and I am now recuperating nicely at home. Don't know how long before I'm out and about. May not get to do any riding till 2014, though sure would like to do the Toy Run in Paducah, KY this year. Maybe we'll just have to take the "Hamster Wagon", that's Bonnie's name for her Kia Soul! Thanks to everyone for their thoughts and prayers, ours go out to you all this Holiday Season! See Ya next year!

Meetings: We will have our meeting on Saturday the 1st of March at the Great Lakes Family Restaurant in Fowlerville. More information on the details as the date becomes closer.

News: First I'd like to say I'm sorry for the lack of news in the last magazine. The news I thought I sent, I apparently didn't send. So, here I go again. We had a great turn out at this years Trike-in. We had 31 people and 14 trikes. We had some old members and were happy to meet some new ones. The weather was very hot and some of the tenters had a challenge with night time storms. As usual we tried to cram rides, games and food all into one day. But it seems we all had a good time. A special thanks to everyone who traveled long distances to come play with us. I would like to thank all of you for making this years Trike-in a success. In early August Barb & I went to a Trike-in in Florence, Wisconsin. There we met fellow trikers from Upper Michigan and Wisconsin. We would like to thank them for their warm welcome. Well if I do this right this letter will be in the Dec-Jan issue of triker mag. So here's to a Merry Christmas and a Happy New Year. Don't let the snow make you blue. Keep in mind that spring is just around the corner. Stay Warm, Don

MISSOURI - Border Line Trikers

Director: Donnie Lentz, S. Lineville, 641-876-2983, chopperhd74@yahoo.com**News:** Our Trike In was a great success again this year. It was held on the 23-24 of August. We served soup and hot dogs to the trikers that showed up on Friday night. Then we went on our ice cream run before everyone turned in for the night. Sat morning biscuits and gravy was served with juice and coffee. We lined everyone up for our back country ride which was a little over 110 miles. The weather was great for the ride. When we returned there was a supper of pulled pork both plain and bbq baked beans, potato salad, chips and a drink. The auction and raffle turned out to be a great success. All the precedes that we make goes to help those in our community with whatever their needs are. Thanks to the Freedom Trikers and all of their members that made our Trike In what it was. On our signup sheet we had 38 people sign in. I am sure there were others that never signed up. I want to thank the two guys from Arkansas that rode all the way up here to be with us. As always it was great to have so many good friends to spend the weekend with. If there were any complaints from anyone I never heard them. It seems that our family of trikers in and around Iowa grow every year. It does not take a big chapter to put on a great Trike In, just a few friends that are willing to roll up their sleeves and see that everything falls in place. Thanks goes out to Randy Stanford for bringing his camper down so that a couple with health issues would have a nice air conditioned place to sleep in. Also to my Road Captain that mapped out a great ride and to the ones that helped set up everything. A big thanks to my wife that made sure we had the food and everything that went with it. It was as always, kind of sad to see a great weekend wind down and everybody pack up to go back to their homes. October 26th was our annual Hot Dog and Soup Get-together was once again a great success. It was too cold for anyone to ride their trikes to it so they all came in cars. Sometimes it makes a person wonder why some one would drive 180 miles to roast a hot dog. Most of the 23 that showed up were from out of town. The fire was warm and the conversation warmed a person's heart. Like always it is hard to see friends leave after so much fun. Our next get-together will be Dec 7th at Brighten, Iowa, where there will be gifts and good food. That will be our Christmas party. I want to wish

Things are changing at RR 66, we tried to ride and the rain tried to stop, but it still went on. The State Gathering was

a WOW of a roar and the ducker did a roar of a great time. We are having growing pains with new ideas. It's time to start thinking about your trike cleaning and services and putting down on paper that DREAM you always wanted to build or maybe to help your Brother on his trike. We had a great time at the fall trike in, Thanks to all that turned out and worked and volunteered. We all would like to say "great job" to Bill Hot Rod Colburn, as he has stepped down after all the work he has done. Thanks again Hot Rod. And after all its not just about 1 its 1 to 1-2,4,6,8..... lets all have a great holiday and ride safe and come see the roar of RR 66. See you at the road of success. THREE FEATHERS.

News: We held our Christmas Party at the U.S. Steak in Kearney on November 9th. The holiday season in December is so busy we decided to party in November. We had a wonderful time. Donations were collected from the members to donate to the Omaha Children's Hospital pediatric cancer unit. We had a busy year. Our trike-in was in August. Thirty three trikes and several motorcycles attended during the weekend. The highlight of the Trike-in was the wedding of Gerald Garton and Donna Giddings. Congrats to Gerald and Donna. Our Regional director, Fred "Countyman" Rouse, attended our Trike-in and addressed the members at our State meeting. If you have any problems or questions you can either e-mail us or directly e-mail him. The trike-in was a real success again this year. This year we donated to the Omaha Children's Hospital after the trike-in, that donation went to their new program doing pediatric heart transplants. Fun with games, rides to the Garden Square to give residents rides (they love it), great food and most important visiting with all of our BTW family. Thanks to all our Kansas BTW family who attend every year. In September five couples traveled to the Kansas State trike-in and as usual had a great time visiting with all of them. Butch and I want to thank everyone who helped when our trike broke down. It's great to have such wonderful friends and family! We will not be holding meetings during the next few months due to the cold and unpredictable weather. The next meeting will be March 8th, 2014. NEW YORK-Long Island
Director: LOOKING FOR A DIRECTOR
News: Dear Fellow BTW Members and Friends, It is with regret that I inform you of my resignation from the position of Director of BTW Long Island/Downstate NY chapter. In the past year there have been several demands on my personal life that have prevented me from focusing as a productive Director of this fine chapter. Actually, my personal life is taking a turn for the better and I need to concentrate on continued personal success. I enjoyed the rides we had as a chapter and the moments I spent with each of you. In the meantime it is my hope that someone else can take the helm of Director and lead us in a new direction as I will certainly be willing to help out anyone who is willing to take

the position. The existence of our chapter is important and needed as more riders turn to triking for their riding pleasure. We should and must have representation of our geographical location. I hope to continue to get together and ride with you. Please feel free to call me for a ride or a get together. Your Friend, Don Seddio 631-882-0482

season 2014 :) . We had a good turnout for Rossford's Halloween Parade Oct 27. We dressed up our trikes, ourselves and had our float in it for the first time and first parade :) We are in a few parades this year. On Sat, Nov 16, 2013 downtown Toledo, Ohio holiday parade. Sat, Nov 30, 2013 Maumee Night Parade, Maumee, Ohio. Sat, Dec 7, 2013 we have 2 that day, East Toledo, Ohio and Ida, MI night parade. Ida, MI we normally have thousands of people there. Ida, MI is a big, beautiful event. We hope we can get some Michigan members, Indiana members, all of Ohio members or anyone is welcome!!!!!! The more the merrier. Hope we have a good turnout again this year. We'll have a float that NWO BTW members Dan Whitehead, Steve Fuller, Wayne Cole, and Nick Cole all built....thank you and you did/ are doing a great job!!!! We also have a parade on Sun, Dec 8, 2013 in Walbridge, Ohio. I hope we can make all of them. 3 parades in 2 days? It may be too cold and some trikes may or may not make it. We all would like to wish Sharon Fuller a speedy recovery, she did something to her knee and can't do much right now. By time next issue comes out, I should have more details on her condition. She was getting out of a truck, her knee twisted and she heard a crack.....ouch!! She can't put any pressure on it right now and is on crutches. News: Hope everyone had a great Christmas. Hope you got that little something special under the tree you were hoping for. I was hoping Santa would bring me one of the Amish style Trikes that Glen Townsend makes. I guess I wasn't as good this year as I thought I was. There's always next year. Riding weather has been great. I made it over to the Okie Twisters November meeting and met with the guys and gals for breakfast. Harley's Café makes a fine breakfast. I can see why you hold your meetings

there. After the first of the year be looking for nomination cards for State Officers in the mail. I want to start with an Asst. Director, Secretary, Treasurer, and Sergeant at Arms. Later in the year as we get things rolling as a state we will elect Road Captains and hopefully a person to write up a bi-monthly or at least a quarterly news letter. Please, if you want to hold a position, place your name on a card and send it in. Also, if you nominate someone else please ask them before hand if they would accept the position if nominated. There were a lot of Toy runs in the State and I hope you were able to participate in as many as you possibly could. There are a lot of Oklahoma children that would go without a Christmas gift if it weren't for your generosity. Everyone ride safe, be looking for those nomination cards, and keep the servicemen in your thoughts. Mostly remember the one that makes this all possible. God Bless America.

News: Winter is almost here and riding season is almost gone. We have had a great year. Our trike-in was a success and we had lots of good rides. Winter will give everyone time to work on their trikes and get them ready for what may come. I'm sure we will try to ride every nice day that we come across. Until next time be safe and ride free on three.

News: Where did the summer go? Now we are diving off into the head of winter. Guess its time to throw a couple of logs in the wood stove and get busy with the builds I have started. Riding weather will be here before you know it. To recap, I want to say thank you to the Pokie Okies for a fun time at Sardis Lake. They had a very nice turnout for the 2nd annual campout. I'm looking forward to next years. We did make the trip to Talamena Drive. Met some of the Pokie Okie down there for a planed ride down the Pigs Trail in Ark but as it would be, Mother Nature changed the plans. When the frequent rain showed up, the group thought best to head on to Eureka Springs. We learned a good lesson on this trip. I have to admit I'm one for wanting to know where I am staying and what the rates are. We learned that if there weren't reservations we could have stopped earlier for the night and been out of the rain sooner. Lesson learned. The Passport Oklahoma event we were involved with kind of fell short. I was thinking we would be able to get more rides in after the summer long trip but seems like one thing after another came up then Toy runs started. We will do better next year. I understand the focus

will be on Route 66. We were trying to determine the miles traveled this year. One says 12000 miles and one figured 16000 miles. All I can say is I installed a new front tire in the spring and had to replace that bald tire in November. You can only guess as to the mileage placed on it. Every one of the miles were a hoot at the least. We meet each Thursday (weather permitting) and haunt a local food establishment. If you are interested in taking any of the rides we have planned you are welcome to ride along. You don't have to be a member of a chapter to go; any BTW independent member is welcome too. If you are interested, contact Mark Duensing @ 918-510-9308 or Tom Roininen @918-237-2955. Until next issue take time out of your busy schedule to give someone you love a hug. Life is short, take every advantage you have. Also remember the one that makes everything possible and remember our armed forces. PENNSYLVANIA-Borderline Trikers of PA
Director: David Snyder
Meetings: Contact Director for Information.
News: As the riding season came to a close for this part of the country, we were able to get in one last Chapter ride for the year. It was a weekend long trip to the Grand Canyon of Pennsylvania that began on Thursday evening, September 26th, with everyone returning home safely on the 29th. The weather for the entire weekend could not have been better. With the help of the "Country Road Riders", a newly formed BTW Chapter in Pennsylvania, we were able to secure a block of rooms at the Penn Wells Hotel in Wellsboro, PA. Saturday morning, we met up with most of the members of the Country Road Riders where they proceeded to escort us on an all day ride through both sides of the Grand Canyon which included many scenic stops along the way. They even had a fully loaded lunch stop planned for us at a pavilion in the Canyon complete with a campfire where we met up the remaining members of the Country Road Riders Chapter. Although the weather, scenery and friendship contributed to a most enjoyable weekend, it was the hospitality of the Country Road Riders that really topped it off. Many thanks from our chapter to yours for a most memorable weekend. Until we ride again… David Snyder, Director.

News: We have recently started a new chapter for North Central PA, known as COUNTRY ROAD RIDERS. In September we met up with the Pennsylvania Borderline Trikers, and showed them the Pennsylvania Grand Canyon. We went to the Leonard Harris side of the canyon, then to the Colton Point side, where we provided a picnic lunch for everyone. From there we went for ice cream and back to Wellsboro. We rode around a hundred miles. Then next morning we had breakfast together before their trip home. We would like to thank the Borderline chapter for the great time we had with them, looking forward to doing it again next year. We will have our next meeting in November at Jake and Becca's house.

Meetings: : 2nd Sat. 'Even' months, >NO MEETING IN DEC< next meeting 8 February, 1 pm, Ponderosa, Hwy 70 Bypass, Dickson, TN
News: Hey all! Hope you've all been doin' well, have had some weather changes for sure, since the last time I wrote news. We got to see some of the KY State trikers when Gentle Ben and I rode north to the Rough River State Park gathering in September. We got kinda chilled in the early autumn cool night we spent there, but were warmed by the welcome and new friends we made, (definitely going to go back to the next one there!) On the last weekend of September, we had our group ride to the Devils Triangle, over to Oliver Springs, TN. We went out on Sat. morning, met on the east side of Nashville and had a group of five trikes and one bike for the trip. We got into Oliver Springs and met a local triker with a sharp reverse VW trike who hadn't ridden the route, and was going to make the round with us! As we started off, one trike spun out a hub, and the local fella was all over it with help and trying to find parts! Talk about brothers! Made me proud to be with some! Long story short, we made the round without the spun hub trike and our new brother while they worked out the repairs. (WAS a great ride), and when we came back in, the trike was up, and running! The trip back towards home on Sunday was as much fun too with the route west on Hwy 70, out of Harriman, We had good weather till almost to the house, then got soaked! Oh well, if you don't get wet, ya aint ridin'! We had 12 chapter members at our October meeting. Had a group of 9 trikes ride out from Erin on the way in, Was a great sight! Showed off the Region 5 patches, and got orders for more. Had some conversation about our plans for riding the Dragon next year, and possibly having another hot-dog cookout, this time at Montgomery Bell State Park, right outside of Dickson. A group of us rode out to the park after the meeting to check out a site too. Since the meeting, riding has been spotty. I got up to Calvert City to see Gene Renfro, KY state director, just before his knee surgery. Hope to see he and Bonnie back out on the trike soon! After some conversation with several chapter members, and considering the holidays, we won't be having a DEC meeting this year, Next meeting will be February 8th! Ride when ya can! I will be! -Lefty

Meetings: State Meeting 1st Sunday of month, 10am. 5101 Glenn St., Amarillo
News: Getting cooler here perfect for riding. Already have plans in works for 2014 Top of Texas Rally. Going to make some changes this year to make it an even better run. I have no new news on title problem here in Texas, maybe Fred will have an update soon. I do know Amarillo has a lot of rat rod builders here and it is now causing some problems in that area. I have had a lot of calls on trikes not getting titled or transferred, I hope we get answers soon. Eveline Rivers Toy Run was a blast with lots of trikes and bikes showing up to make a lot of kid's Christmas very special. I hope everyone has a great holiday season. Winter has arrived here, not much riding going on. Still working on Title Law, I have taken it to local media and its been discussed on news cast and radio . Have had a lot of response and hopefully more letters will get sent to state reps. We are starting to have insurance questions pop up. They can put no value on home builts, this is going to be a big problem also. Please everyone in Texas needs to write to their senators and state reps. I am hoping to over run them with so many letters they will have to take a look at this problem. Thank you to everyone that has already done so. Ride safe, Blessings to all. Doc

News: After an eventful and surprisingly warm summer it is now, sadly, time to dig out those thermals and brace ourselves for another chilly winter. However, our fun doesn't stop just because woolly-knickers weather has arrived. The date has been set for our annual 'Threedom party'. The event will be held on Saturday 11th January 2014 (venue details to be confirmed). It is a fantastic event and a great way to meet other members, so if you can attend you will be assured of a great night. Please check your BTW UK newsletter for venue details. BTW UK is proud to announce that Area 8 is back on the map. Many thanks to Martin (Dusty) Ablott for taking on the job of Road Captain. If you are in the Lancashire or Greater Manchester area and you would like to become more socially involved please do contact Dusty. I am sure he will be very pleased to hear from you. BTW UK would like to wish Dusty and Area 8 every success for the future. We also have a new Road Captain in Area 6. Thank you to Mixa for looking after the Nottingham & Leicester area. Again, if you would like to be more involved in that part of the country please do give Mixa a call. Earlier this year our Assistant Chapter Director, Spook, sadly announced his intention to retire from the position of ACD. We would like to thank Spook for his hard work and dedication to BTW UK. After careful consideration the position of ACD was recently offered to Kathy (Beano) Barton. Throughout her time with BTW UK Beano has shown remarkable

commitment and enthusiasm; constantly working to promote the UK chapter in the most positive light. We are delighted to announce that our lovely hippie accepted the job and is continuing to be a real asset to her brothers and sisters. Thank you Beano, we are sure that you will be a magnificent henchwoman for Punky, who also does a thoroughly outstanding job. Our new members are very important to us and we are always interested in how they came to be proud BTW members, which is why I was delighted to receive the following lovely introduction from one of our newer members, Mammabike: "I have known about the 'Brothers of the Third Wheel' since about 2000. I since joined BTW-UK in September and I've already attended my first meeting. I have spent a lot of time on the forum, which is great, and I am looking forward to meeting up with my brothers and sisters in the future, and being a positive member of this brilliant, national association. I am pictured holding my BTW certificate, which I received, literally 2 minutes, after taking delivery of my Virago trike, spooky! There have always been bikes in my family. My dad rode a bike, back in the day, and my mum rode pillion until a couple of days before my eldest sister (one of eight) was born. My brothers also had bikes, so I spent a lot of time riding in a sidecar - fantastic! I have always had a love of bikes but, was unable to own one until four years ago. Despite this I have attended the bigger bike rallies/events for years as I was always able to go by car. I can't remember when I first set eyes on a trike but this was the way forward for me. In 2000 I had a reliant 850 trike built for me. It was sunflower yellow and I loved it. I had owned it for just two weeks when I went to the Rock and Blues on it and from there straight down through England; across to France and down to Tossa de Mar in Spain. I took my two children on the back and pulled a trailer, what an adventure!

I rode this trike (Tina) for eight years before selling her to get a 125cc motorbike and taking my motorbike test. I took my test on a 125cc and rode this for two years before getting a Yamaha Virago 535. Two years later I have just had the Virago triked by the very same person who built my first one. She (Vita) is beautiful and I look forward to many happy years riding her. Going back to riding a trike is like coming back home for me. Oh, and my name 'Mamabike' was given to me by my grandson.....I love it! Best wishes and ride safe brothers and sisters." Wishing you all a safe and cozy winter. Georgia.

WASHINGTON - State
Director: Churchy Churchward, Tacoma

News: Greetings Trikers and Friends...
I have received and forwarded to HQ an application for a new Washington State BTW Chapter. They will call themselves The North Sound

Threedom Riders, located around the Mt. Vernon/Whidbey Island area. Nov. 5th, 2013 they held their second meeting to elect officers and choose a chapter name. Russ Lamb was chosen as Chapter Director, Mike Brenaman, Assistant Director & Ride Captain, Lori Watkins, Secretary, Laurie Lamb, Treasurer and Maggie Coleman, Historian. Counting myself, 17 people attended this meeting.Russ and Mike have done an excellent job organizing and getting the word out to all the BTW members within a 50 mile radius and we have had several new BTW members signing up and a past member re-signing up. They are off to a great start.
Yesterday, myself and Al & Robin Woodley from the Coastal Cruisers Chapter rode our trikes 115 miles up north to join many of these new chapter members and the Oak Harbor Wa. VFW Post 7392 VFW riders to participate in The Oak Harbor Veterans Day Parade. Wow what great time we had! We found several other trikers from other organizations so Russ and Mike were busy passing out handle bar hangers and BTW flyers and collecting their info. From the responses they got, I think they will have a couple of new members signing up real soon. Good job guys. I think my WA State BTW contact list is up to date but I still don't have several email addresses probably because they don't have email, so the only way they get WA State news is by reading the Triker Magazine. It's important to me that all WA BTW members are kept informed about what's going on around the state, so please keep me and HQ informed if your info has changed.
As always, Keep the shiny side up

News: Somehow our news was missed in the last magazine so I am including it in this one. So many rides....It seems we stay very, very busy but oh what fun!! On July 6th we went on a Volcano ride. We asked Bridge City Trikers of Oregon to join us for lunch and a ride to Mount St. Helens. That was a very popular ride with a total of 43 people riding along mountain streams, through fields of wildflowers to view the destruction and regrowth around Mt St Helens. A couple of weeks later was a picnic featuring grilled oysters. Perfect weather for games, great food and fantastic company. I even learned a little about oyster farming. Very interesting. Thanks Ken for sharing your knowledge. Then came the "run for the beef". It can't get much better than this! We rode Mt Rainier on the North and east sides.....a beautiful ride with many vistas to view the mountain.....then on around the south side to Packwood. The local fire department put on a wonderful beef BBQ.....an outdoor pit and they use pitch forks to move the beef around! Such good food we weren't sure whether to take a nap or ride home! We finished the ride around the mountain and on to home ....What a beautiful state we live in! And if that weren't enough, we went to Jerry Langley's wedding so we could officially welcome Randi to the BTW family. We wish Jerry & Randi Langley the very best, now come ride with us. We also enjoyed the Washington State Trike-In. To finish off a very busy August, we held a "Mystery Ride" .....we met at 8pm and rode to the home of Lee and Karen Scholes where they had set up a drive-in movie. We watched "Johnny English" (hilarious) as we snacked on popcorn, sodas and movie sized boxes of candy. It has been a long time since I went to a drive-in movie.....however Kathy Miller mentioned that she could still remember what they used to do at the drive-in...at which point we all plugged our ears....too much information Kathy!!!!! October means two things to the Coastal Cruisers ..... Operation Christmas Child and Lattin Cider Mills! We did both. We joined the CMA riders for breakfast, then rode over to the Chateau Retirement Home where we joined with the residents to pack shoe boxes full of toys, toiletries, books and treats. These boxes will make their way to children ages 1-14 around the world to offer a little Christmas cheer and love to their lives.

In November we will again meet to transport the boxes to our regional shipping location to be transported to the next step in the long journey to children in need. Our ride to Lattin Cider Mills is always a little brisk and often wet, but the hot fresh Apple fritters are worth the ride. They also serve up some wonderful soups and it is a great way to bring out the kid in all of us! We also did a ride to Red Hook brewery where we enjoyed a tour of their facility. Very interesting! Thanks Kurt for arranging this for us. There were also several members who rode to Anacortes for the largest one day biker event in the state, the Oyster Run and then the Oyster Fest in Shelton. Now we are looking forward to our annual Christmas party on December 8th. This is always a fun time as we look back on the fun rides of the year and celebrate together. And even as we look back, we are all ready planning our ride calendar for next year and looking forward to where the roads may lead us.

The Bug's Eye View

Greetings!

You probably don't know me, but I'm "The Bug on Bill's Bike". I ride on Bill Crain's bike as part of the Coastal Cruisers, with him and Linda. I wanted to give you my view of the trike-In near Montesano, WA. We headed out for the trike-in on August 15 about 1 pm. Bill kind of waited around for it to stop raining, even though I was anxious to get going. I don't mind getting wet, but Bill doesn't like to start out in the rain. We only got a few sprinkles on the way there from Puyallup. Once we arrived, we heard that a few others had gotten pretty wet coming down earlier, but it hadn't rained at all at the campground. I liked the place we set up camp, because it was on "camper row" near the main road where I had a good view of what was going on. There were lots of people there already, about 2:30 pm, even though it was early, and only Thurs. It was kind of amazing that almost everyone was in camp on Thursday and very few came on Friday. There were a few more visitors on Saturday who just stayed for the day. The food seemed to be really good. Kathryn's daughter, Lorena, was the head chef, with help from her daughter, Christina, and a few others. I could smell it from where I was, and I heard people talking about it, too. There were sub sandwiches that first night, with fruit and other things to go with it. Afterwards everyone wanted to go for ice cream, since it was a nice warm, dry evening. We had a very pleasant ride to Clark's restaurant with Mitch and Christian (age 9, Gary and Carol's grandson), but it closed too early to get everyone going in time. The rest of the gang went to Aberdeen to Baskin Robbins. That must have been crowded with about 30 people coming at once! Christian did a good job as camp messenger, zipping around on his bike here, there, and everywhere, keeping track of everything that was happening. We had a good night, but sometime before 6 am Friday we woke up to hear our friend, Mitch, next door, talking loudly. He even woke me up! I heard several people mention it, so he was a little quieter the next morning. For breakfast I heard everyone talking about the great omelets they had. They had been individually ordered and made by boiling the eggs and toppings in Ziploc bags. Bill waited patiently for his, but Bill K. had his ready early, except that he never came to get it. By the time everyone was served they figured out that Bill K was actually Bill C! When everyone was finished and ready to go we headed off to Westport. I really do like riding around and seeing the country side. I was amazed we all made it there without a problem, since there were 22 trikes and bikes. That's quite a few for one ride. We left camp at 9:30 am and came into town before most of the other tourists; we found a place to park across from the docks. All the riders and their passengers kind of wandered around, shopping and looking everything over. I just hung in there with the other trikes and showed off a little from my hiding place when people came to look them over. We got back to camp early enough that there was plenty of time for visiting before dinner. I heard about Clarence and the mini tent he had borrowed. He set the tent up and began to wonder about it when he put the air mattress in it. I guess he tried it and decided it wasn't going to work so he came back out to the campfire and asked if Rusty and Joanne's hide-a-bed was still available. They told him yes but that the late notice would raise the nightly rate! The look on his face was priceless! Everyone had a good laugh over that one but eventually they all settled in for the night. The next day he borrowed a bigger tent from Bruce and Lori and stayed in that. He left the little tent up to put some of his stuff in. Of course, I didn't get to go anywhere, but I do keep an eye out for what's happening. Actually, there were a couple of cute dogs in the camp site just across the road from us. There was a light parade Friday night, where some of the trikes got all lit up and paraded around the camp ground. I like to see the imagination some people have, and all the different ways to fix the lights. Bill didn't want to ride in the parade, so I'm glad I got to watch from my vantage point. I heard Bill getting asked several times about what happened to his head. No, Linda didn't hit him!

He actually walked into a 2 by 6 that was sticking out from the wall he was building. I saw him do it from my vantage point in the shop at home. I bet that hurt!

CONTINUED

Saturday morning after a breakfast of biscuits and gravy, we were off on a ride to Lake Wynoochie. There were 28 trikes and bikes, and no one got lost! It was a little misty and I could see some people had rain clothes on. I have a good place to hide, so I don't get too cold or wet. On the way there, we had a little surprise. We went around a corner and there was a person with a big sign saying "HONK!" It turned out to be Mitch's sister, Wanda, cheering us on. We were a little slower getting there than planned and she had almost given up on meeting us. It was a very nice ride in the country, over the river and through the woods. I found out that Lake Wynoochie is formed by a dam. It was kind of wet and cool, so we didn't stay very long. We headed back to camp to pick up a few other folks to go to lunch at the Rusty Tractor in Elma. That's where we had a trike show in the parking lot. We didn't win anything, but then there were only 2 awards, one for the best trike and one for the best bike. After lunch Bill and Linda got all packed up and we left for home right after the Saturday night dinner and festivities, including the auction. They were anxious to get home. We rode part of the way with a new couple who were going to Auburn. I hope they'll be back. They did seem to be interested. There were a few other new folks around, too. All in all, it was a great trike-in, even if it was pretty cool for August. We did see the sun now and then.

That's all for now, **The Bug** (AKA Linda Crain)

The Tale of the Suicide Squirrel

It was a lazy summer afternoon on some back-road when this tale takes place. My wife on her trike and me following on mine were just enjoying a beautiful afternoon ride. When up the road, I see this squirrel stand up on the shoulder of the road. It looked at Leatha and unlike most squirrels instead of just running across the road, it ran out in the middle and stopped, stood up and just looked at her coming at him, probably thinking what a beautiful machine that was and what was it. At the last second, it dropped down and ran back to the shoulder and watched her pass. Then to my surprise, it ran back out in the middle of the road and stopped again. I was thinking that he was going to do the same thing to me, but instead he stood up and watched her ride away. I could swear that I saw him thumbing its nose at her and yelling "Na na, you missed me", as I felt the impact I could not help but think at least he passed with happy thoughts because he never saw it coming. That's my story and I am sticking to it.

In Memory of Trikers Lost

Richard "Rick" K. Lancaster

The Iowa Heartland Trikers Chapter is deeply saddened to announce the passing of our dear friend, Richard "Rick" K. Lancaster. We lost him Saturday, November 9, 2013. He was the Chapter "Sgt At Arms". Our thoughts & support go out to his wife Nicole and their entire family. Ride together free on three bro

.StanleyHoefer

A BTW Member passed away on August 1, 2011 after fighting severe diabetes and extreme heart complications at the young age of 77. He was loved and respected by all that knew him. His yellow handmade trike, which took years to build, was his special love. He named it the Bugasaki. He spent many hours perfecting the perfect trike for all to envy. He will always be remembered and cherished in the hearts of his family and friends.

-Bruce Lee Childress

Passed away on November 7, 2013 surrounded by family and friends. Bruce was a member of the Brothers of the Third Wheel Triker, Coastal Trikers and has been a director & a Board Member. Although he was a Paraplegic for 35 years, his list of accomplishments surpassed most; Bruce was an extraordinary person and has been a special part of BTW. He took great pride in this Association, It is very saddening to know that on what was to be his last day of work before his retirement and undoubtedly more involvement in BTW, he was hospitalized and will never get to enjoy that time. He will be missed by all.

"Rocket Ron" Justice

Long standing BTWUK member "Rocket Ron" Justice lost his battle with cancer on Remembrance Sunday, 10th November 2013. Rocket was one of life's real gents and what he did not know about Reliant trikes was not worth knowing. He could be found at various rallies in the UK on his latest reliant engined trike and, if he heard your trike had a problem, he would set to and fix it for you. His knowledge of trikes was vast and he could always be relied on to give encouragement and answers to anyone who asked for his advice. At most rallies you will find at least two of Ron's trikes and his design for reliant based trikes, I am sure, will copied for many years to come. He was well known for his wicked sense of humour, his love of 'Mead' that he could be seen swigging out of his Viking horn at every rally and always having a story or tale to tell. UK rallies in 2014 will certainly be sadder events with his passing. R.I.P Rocket Ron – We will all miss you.

Milt Freel

Passed away peacefully surrounded by his Family on Nov. 13, 2013. Milt was an avid BTW member and will be missed by those who knew and loved him

Billy Hartung,

We are sorry to report the passing of one of our members, Billy Hartung, Hutchinson, KS. Billy was a long time member of BTW, never owning his own trike but attending many of our events with his Daughter and Son in Law, Debra and Junior Hester. He usually had a smile and a joke for all he met and will be missed and remembered by all who knew him.

May They Rest In Peace.
